CHEP South Africa (Pty) Ltd's B-BBEE Status

Regarding your request for information relating to CHEP South Africa (Pty) Ltd's Broad Based Black Economic Empowerment status, please find attached our current B-BBEE certificate. This certificate was based on our status as at 28th April 2015 and reflects our position as a level 5 contributor.

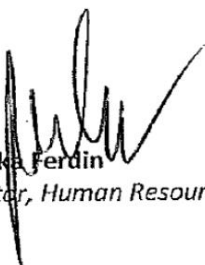

CHEP South Africa understands the importance of B-BBEE and has therefore committed to:

- To create a board that reflects the country's demographics and complies with good corporate governance.
- To strengthen our position as a Preferred Employer by creating a workforce that reflects the racial and gender demographics of South Africa.
- To increase spending on skill development to expand personal and career development opportunities.
- To strengthen our position as a preferred supplier providing preferred products, procuring good/services from black-owned, black women-owned and B-BBEE compliant companies.
- To play a role in enterprise development and help stimulate job creation.
- To strengthen our involvement in the socio-economic development of our country through sustainable interventions.

We have just finished submitting our evidence for our BBBEE verification process and await feedback from our auditors. Once we have our new certificate, we will be sure to forward that to you.

We trust that you will find the above in order. Please do not hesitate to contact the writer should you require any further details in this regard.

Yours sincerely,

Monika Ferdin
Director, Human Resources
