Dear Sir / Madam,

RE: B-BBEE INTENT for Sage SA (Pty) Ltd

Sage SA (Pty) Ltd is working towards acquiring an Empowering Supplier Status. We hereby want to inform you of our intent for B-BBEE under the new codes.

Sage South Africa has restructured the following companies into 1 legal entity effective 1 August 2016.

Sage Enterprise
Sage Technology Park
102 Western Service Road
Gallo Manor
2191

T +27 11 304 2000
F + 27 11 304 2030

Sage Intelligence (Formerly Alchemex)
Sage Pastel ADO Sage SA (Pty) Ltd
Sage HR & Payroll (SHP) ADO Sage SA (Pty) Ltd
Sage Enterprise ADO Sage SA (Pty) Ltd

The new sector codes do not apply to us as yet but we are preparing for this, as the change is imminent.

Currently new verifications are done on the legacy companies mentioned above. The Entities have indeed got empowering Supplier status.

We are compiling a B-BBEE plan for our year end 2017 and should have this in place soon. Our verification on the group Sage SA (Pty) Ltd should be finalised by December 2017.

We do appreciate your understanding in this regard.

If you require any further clarity regarding our situation, please not hesitate to contact Elsa Appelcryn, elsa.appelcryn@sage.com.

Yours Faithfully

Kavir Kissun
