To Whom It May Concern

16 November 2016

We are pleased to announce that, with effect from 31 December 2016 but provided that certain conditions are met, the business of Superclean will be merged with Tsebo Cleaning Solutions, a division of Tsebo Solutions Group Proprietary Limited ("Tsebo").

Tsebo has a 40 year track record in the provision and management of outsourced services such as cleaning, catering and facilities management and more information about Tsebo can be obtained from their website www.tsebo.com.

The new venture will enable Superclean to leverage off Tsebo's considerable procurement capabilities, its labour base, capital resources and importantly will form part of Tsebo's level 1 BEE Rating with effect from 1 January 2017.

Please find attached a copy of Tsebo's current BEE rating certificate for your records.

Yours faithfully

Tim Walters
Chief Financial Officer
