BLACK ECONOMIC EMPOWERMENT COMPLIANCY STATUS

Our Client: **KEMTEK (PTY) LTD**

In response to your request for our clients BEE rating/information, it is important to remember that BEE is a strategic priority and that they are currently working with us as Legal consultants to improve their overall rating and achieve a level of compliance that will assist Companies with their own preferential procurement.

We are however finalizing their request for a BEE Certificate. Based on the business structure together with the initiatives that they have implemented, they should achieve a satisfactory BEE level.

As this is a process we undertake to advise both their suppliers and customers on a regular basis with regards to progress and alignment with the BEE Scorecard.

We trust the above meets your approval and we await to hear from you in the event of any enquiries.

Yours Faithfully
