To Whom IT May Concern,

RE: BEE VERIFICATION – MANAGED INTEGRITY EVALUATION (PTY) LTD

I hereby confirm that Optimal BEE Consulting Services has been contracted by Managed Integrity Evaluation (MIE) to engage in the verification of their business according to the latest legislation (Codes of Good Practice / Sector Codes where applicable).

We have started the process with MIE on 01 August 2013 and are currently finalising the verification audit. I herewith confirm that MIE achieved a preliminary Level 3 BEE status.

This letter is valid until 31 October 2013, as MIE should have obtained their BEE certificate, issued by an IRBA accredited Verification Agency, by then.

We trust that you find this in order. Should you have questions or queries please contact us.

Yours sincerely,
