Re: BBBEE VERIFICATION IN PROGRESS: Goscor Finance (Pty) Ltd

This is to confirm that the BEE Verification of **Goscor Finance (Pty) Ltd** the Measured Entity is in progress. The process is expected to culminate in the issue of a BEE Verification certificate that evaluates the contribution that the Measured Entity has made in transforming its business to address the aims of Black Economic Empowerment.

The process of Verification of the Measured Entity entails an examination of its statutory records, financial information, accounting records, evaluation of its various BEE initiatives and interview of key persons. It is therefore not easy to predict when the BEE Verification certificate will be issued but most certificates get issued within 60 days of the commencement of the process.

Please do not hesitate to contact me should you have any questions

Yours sincerely,
