LIMITED ASSURANCE REPORT OF THE INDEPENDENT B-BBEE APPROVED REGISTERED AUDITOR

To the director(s) of Hamtern Financial Services (Pty) Ltd

We have completed our limited assurance engagement on the B-BBEE Status as at 30 January 2015, as set out on page 1 of the Broad-Based Black Economic Empowerment ("B-BBEE") Verification Certificate of Hamtern Financial Services (Pty) Ltd (the "Certificate"), and the Scorecard as set out on the pages below. We clarify that our engagement is on the basis of information provided by management.

Directors' responsibility

The directors are responsible for the preparation of the Scorecard and determining the B-BBEE status in accordance with the B-BBEE Codes of Good Practice on Black Economic Empowerment, gazetted on 9 February 2007. The directors are also responsible for such internal control as management determines is necessary to enable the preparation of information and the B-BBEE Scorecard that is free from material misstatement, whether due to fraud or error.

B-BBEE approved registered auditor's responsibility

Our responsibility is to express a limited assurance conclusion on the B-BBEE Status reflected in the Certificate based on the procedures we have performed. We conducted our limited assurance engagement in accordance with the B-BBEE Codes of Good Practice on Black Economic Empowerment, gazetted on 9 February 2007. This standard requires us to comply with ethical requirements and to plan and perform this engagement to obtain limited assurance about whether the Certificate is free from material misstatement.

A limited assurance engagement with respect to a B-BBEE Verification Certificate involves performing procedures regarding the Scorecard and B-BBEE Status of Hamtern Financial Services (Pty) Ltd entity based on the criteria and requirements contained in the Codes of Good Practice and any relevant Industry Charter. The procedures performed depend on the assurance provider's judgement. The nature of those procedures is different from and the extent is substantially less than in a reasonable assurance engagement, and consequently they do not enable us to obtain the assurance necessary to become aware of all significant matters that might be identified in a reasonable assurance engagement.

We believe that the evidence we have obtained in our limited assurance engagement is sufficient and appropriate to provide a basis for our conclusion.

Summary of work performed

- Obtaining an understanding of the entity and its environment and the underlying records sufficient to identify areas in the Scorecard where material misstatements are likely to arise, and to be able to design procedures to address those areas;
- Inquiring of management and employees responsible for the preparation of the B-BBEE compliance information;
- Performing such additional procedures as we considered necessary;
- Re-performing calculations to determine whether the scores reflected in the Scorecard have been classified and determined in all material respects in accordance with the B-BBEE Codes of Good Practice on Black Economic Empowerment, gazetted on 9 February 2007.
