18.11.2013

Dear Sir / Madam,

After a local company restructuring and effective 1 June 2014 Evonik Degussa Africa became Evonik Africa. Due to the changes (new VAT and registration numbers) we were only able to apply for a new B-BBEE Certificate after one year from the above effective date.

We are still preparing the approval process for a new B-BBEE Certificate and will make it available to you once received.

Thanking you for your understanding and good co-operation we remain

Yours faithfully
