Dear Stakeholder

BROAD BASED BLACK ECONOMIC EMPOWERMENT (BBBEE)

TCG's BBBEE Baseline Assessment was recently finalised. The assessment concluded that TCG does not currently qualify for BBBEE certification.

Based on the above assessment, we identified a number of interventions that will improve our BBBEE status and the implementation thereof is prioritised. In addition, we will continue to engage our external BEE consultant with a view to accelerating the improvement of our BBBEE rating. We will assess our BBBEE status during the end of 2024 again and are confident that we will then be able to furnish you with a BBBEE certificate.

Please be assured of our commitment to improve our BBBEE rating as a matter of urgency.

Yours faithfully

Henry van Dyk
Head of Human Capital
