Consequently, this certificate does not serve as a guarantee that the income reflected will continue at the same levels. Where the entity is a start-up enterprise, this EME Certificate is valid only for contracts with a single value of less than or equal to R 10 million. Should the contract value being tendered for be higher than R 10 million and less than R50 million, the EME will be required to submit a QSE Verification Certificate with any tender. For contracts over R50 million, a B-BBEE Verification Certificate based on the Generic Codes must be submitted.
