

To Whom It May Concern

Request for SACRRA's B-BBEE Level and/or Certificate

Please note based on a legal recommendation, it is our view that the SACRRA membership fees should be excluded by members in their scorecard calculations, as the membership fee falls under the list of exclusions from the Total Measured Procurement Spend as per the Code (page 67):

5.4.2 in any event, any procurement of any goods or services from any organ of state or public entity that enjoys a statutory or regulated monopoly in the supply of such goods or services, is excluded;

For this reason, we have decided not to carry out a B-BBEE annual audit, which will lead to cost savings for our members. By allocating their funding towards value-added activities, we can maximize the financial benefits for our members.

Yours sincerely,
